

Three Day Krishi Bhagwani Exhibition-cum-Kishan Gosthi Organized

Three Day Krishi Bhagwani Exhibition-cum-Kishan Gosthi which was held at ICAR-RCER, Patna from 28th-30th May 2016 ended today. Around 50 farmers participated in the programme. In this, Sarad Kadu, Deputy Director, NHB, Patna, made a presentation on various schemes of National Horticulture Board for horticultural crop production, post harvest management and cold storage of vegetable and fruits. He said to the farmers that there is subsidy for many of the technologies of horticulture. Dr. S.K. Singh, Principal Scientist and Dr. T. L. Bhutia, Scientist, ICAR-RCER, Patna discussed on various topics such as organic farming, post harvest management, mushroom cultivation etc. Dr. Shambhu Kumar, Principal Scientist, CPRS, Patna discussed thoroughly regarding the production of TPS in potato and its advantage. The farmers interacted with full enthusiasm.
